

John Griffin Middle School

5551 Fisher Road • Fayetteville, North Carolina 28304 • Telephone (910) 424-7678

June 1, 2018

Dear Parent:

The North Carolina Department of Public Instruction is allowing school systems to offer a brief remediation to students, followed by a second chance for students to take the End-of-Course or End-of Grade Assessment(s) associated with the course. This letter provides the details of this opportunity for you to request that your child participate. All students who score a level I or a level II on an End-of-Course or an End-of Grade Assessment will be eligible to participate. If you would like your child to participate, please sign and return this form.

Summer remediation program and additional testing opportunity details:

-Students who score a level I or level II on an End-of-Course or End-of-Grade Assessment are eligible to participate. All Second Chance EOC/EOG Tests will be taken on a computer (no paper pencil tests will be offered).

-Students are not required to participate, and students who choose not to participate will not be penalized.

-Transportation **will not** be provided. Students who participate in the program will have to provide their own transportation to school for the EOC/EOG assessment(s).

-If a student participates and retakes an assessment, the higher of the two scores will be reported as the student's "official" 2017-18 test score. If the score drops from the first administration, the original score will stay in place.

-Students will be provided remediation during the final few days of school, followed with a remediation packet. We ask the student to return the completed packet at the time of testing.

John Griffin Middle School will retest ELA on June 12th at 7:30 am, Math on June 13th at 7:30 am, and 8th grade Science only on June 14th at 7:30 am. Students may be dropped off at the school's front entrance (by the flag pole) as early as 7:00am. Breakfast will not be served, but a juice drink will be offered.

Please discuss this opportunity with your child. Return this letter if you wish to have your child participate and retest. No make-up dates for this 2nd Chance Testing will be offered; again, it is optional.

_____ *Yes, I would like my child to participate in remediation program and additional testing opportunity. I understand that I will provide transportation for my child.*

_____ *No, my child will not be participating in the brief summer program and the additional testing opportunity.*

Student's Name: _____
