

## ***ATTENTION PIRATE PARENTS AND STUDENTS!!***

Just a reminder, JGMS has moved online for all student-athletes participating in sports for the upcoming 2019-2020 school year! Parents of those students trying out and participating in sports for this school year must complete the Pre-Participation forms online. **This MUST be completed by all student athletes.**

The link provided below is the standard link where students and parents can create their profile and then **select the school to which they will be attending.** Afterwards, complete the necessary forms for your child to play sports. If you have any questions, please contact Mr. Ricky Tucker, Athletic Director at [rickytucker@ccs.k12.nc.us](mailto:rickytucker@ccs.k12.nc.us)

### **DIRECTIONS FOR ARBITER ATHLETE:**

Parents you will need to establish an account using your email. Your child will create an account using their CCS email address. Once both have created a profile, the parents can click a link accounts button, which is where they will put in their child's student email account. Then, the student must look in their SPAM/Junk folder in their school email for the email to link accounts.

Once the accounts have been linked, the student and parent need to complete the forms with the exception of the physical form, which when completed will be down loaded into your account or turned into Mr. Tucker.

Accounts only need to be created once for middle school but should be updated annually. Once completed and approved you will receive a confirmation notice that your child is registered. If registration is incomplete you will receive notice. Please make the necessary corrections and resubmit.

Accounts may be registered at <https://www.Arbiterathlete.com/>
